Dear Spiritual Friends, wholehearted Mangalasheta -
nas to you all. Gurnipournima was celebrated yesterday
by all our devotees and disciples - especially in all
the states of Bharat, where Lunar system is followed.
Today is also an auspicious day with Sharvona
[Thiruvonam] star.

Well; My dear, I am writing
these few lines to inform you of my Chaturmasya
vata. This time I am not going to any other place
performing this vrata. There was very strong proposal
a request from our disciples and devotees that
performance of this vrata, ^{maybe} either in Hyderabad or in
dehbad. According to presently prevailing

Situation, decision has been taken to have the
Vratamshtana here in om Vanamamalai / Todadi
-Kshetra itself. The Vratamshtana will commence on
2.8.07 Thursday. It will be without any pompous
shows, as per Yatidhammasamuchchaya.

In this context I am to inform you that
our proposed Sri Mutt Construction Service ^{at Temple} will be
started, as early as possible, with the financial
cooperation of all our well-wishers. Also I wish to
say that in 'Vratacharya' - Monthly Journal, a brief
second appeal has been made, which you may
go through. I am an optimistic person always
and I have staunch hope that all of you will
certainly come forward to give your very valua-
-ble financial help to accomplish this glorious
project of ours. Shubham.
